

100% BIODEGRADABILE

100% BIODEGRADABILE

TOWELLNESS, L'ASCIUGAMANO READY TO REUSE.

Towellness è anzitutto un'idea... morbida e resistente. È asciugamano, salvietta o telo mare. Un'alternativa 100% biodegradabile per rispondere alle esigenze di igiene e pulizia contemporanee. Un unico prodotto che concentra caratteristiche di estrema versatilità, perfetto per l'impiego in strutture alberghiere, ristorative, ricettive e wellness. Stile nordico, design minimal, folle innovazione: è l'essenza di ogni prodotto Best in Table.

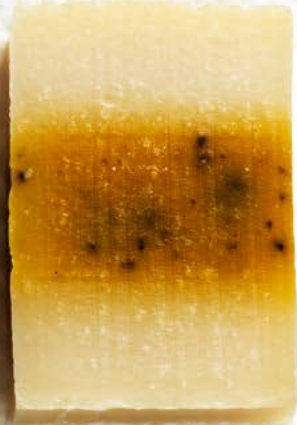

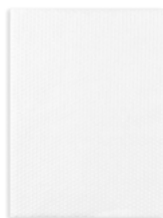

TOWELLNESS, THE READY-TO-REUSE TOWEL.

First of all, Towellness is an idea, soft and resistant. It can be a towel, a serviette or a beach towel. It's a 100% biodegradable solution to meet today's requirements of hygiene and cleanliness. A unique product, extremely versatile, perfect for hotels, restaurants, spas and tourist accommodations. Nordic style, minimal design, edgy innovation: the essence of every Best in Table product.
